Our Readers Say:

I really love your books - I would not be reading prayers today without them. I have been using them for two years and going! Thanks again. - J Mezrahi

My adult Beginning Hebrew class just finished for the term...all of whom had little, if any exposure to Hebrew.... After ten weeks we had fluent, confident readers who now are in touch with the Shabbat evening service. Thank you!- J. Freedman

Your transliterations are the best ones that I have found. - G. Rickman

Thank you for enabling many JEP families to light the menorah properly and with ease this Chanukah. Tizku L'mitzvot! Thank you, - Sara S

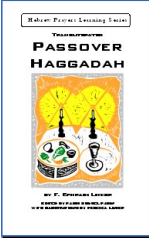

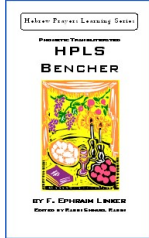

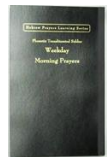

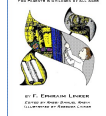

Thank you for producing these marvelous books. I have been studying Biblical Hebrew so I can understand the Torah and the siddur and not just read the words and your books defining each word in the prayers literally are extremely helpful. - J. Singer
